TRAIL TOOL

OCTC Academic Planner

An academic plan is a rough map of where you're headed and what has to happen in what order.

Start rough and revise it with your Success Coach. Fill in your program of interest, the things to know before you plan, and your next semester plus a couple more. Then bring it, and your questions, to your advising appointment.

Look up exact course names and requirements in the KCTCS catalog. Rough is fine for now. Your Success Coach will help you fill in the gaps.

Two ways to use this handout. It matches the Academic Planner in the Pathfinder Guidebook. Print it and fill it in by hand, or type in the boxes below and save a PDF. Bring it to your advising appointment. You may attach it to Mile Marker #6 if you like, but you don't have to.

NAME _____

DATE _____

Program of interest _____

Credential goal (certificate, diploma, AAS, or AA/AS) _____

BEFORE YOU PLAN

Things to know first

Prerequisites I need to finish, and when

Application deadlines or entrance exams to know about

Courses only offered certain semesters (ask your advisor)

My realistic credit load per semester, and why

YOUR PLAN

Next Semester

Which semester?

Course	Credit hours
Estimated credit hours	

The semester after

Which semester?

Course	Credit hours
Estimated credit hours	

One more semester

Which semester?

Course	Credit hours
