Mile Marker #1: My Starting Point

Every journey starts somewhere. This first Mile Marker is about getting clear on where you are right now: why you're here, what you're hoping for, what you already bring to the trail, and where you stand with AI.

> Your responses don't need to be perfect. They need to be honest and specific. You'll come back to this reflection later in the course when you build your capstone project.

> **For in-person classes.** Fill in this handout by hand, then upload a photo or scan to the Mile Marker #1 assignment in Blackboard. You can also type in the boxes and save it as a PDF.

QUESTION 1

Why College, and Why OCTC

A strong answer *Names at least one specific reason you chose college, and one reason you chose OCTC.*

1. Name one reason you chose to attend college.

2. Name one reason you chose OCTC.

QUESTION 2

Success, in Your Own Terms

A strong answer *Defines success in your own words, and connects it to something you actually want this semester.*

1. Describe what success looks like for you this semester, in your own words.

2. Explain why that matters to you this semester.

QUESTION 3

What You Bring

A strong answer *Names one strength and explains how it will help you this semester, ideally with an example of when it has helped you before.*

1. Name one strength, habit, or quality you already have.

2. Explain how it will help you reach your goals this semester.

QUESTION 4

One Goal, Two Steps

A goal is specific when someone else could tell whether you reached it. A step is concrete when you could put it on your calendar.

A strong answer *States one specific, realistic goal, names at least two concrete steps you'll take, and says what success will look like when you reach it.*

1. State one goal you want to accomplish before this semester is over.

2. Name two concrete steps you'll take to reach it.

3. Describe what success will look like when you reach it.

QUESTION 5

Where You Stand with AI

A strong answer *Names at least two specific examples of AI in your daily life and describes honestly how you feel about using it for school. There's no right position here, only a clear one.*

1. Name at least two places you already use or run into AI.

2. Describe how you feel about using AI for school right now.
